

The Embassy of the Federal
Republic of Germany in Cairo

and

The Ministry of State for
Environmental Affairs

Have the pleasure to invite you to the 6th Panel Discussion
Of the Cairo Climate Talks (CCT)

On April 29th, 2012 at 7 p.m. at the DAAD

To review and assess the topic

„A Greener Cairo - Visions & Realities“

Following the CCT concept we have once again the honor to welcome four expert speakers from Germany and Egypt, who will guide us through our discussion with their knowledge and their valuable insight into the topic.

Prof. Rudolph Schäfer

Founding Director of the El Gouna Campus
of the Technical University Berlin

Eng. Sherif Abd El Rahim

General Manager of the General Department of Climate
Change Technology & Research (EEAA - CCCD)

Dr. Mohamed A. Salheen

Architect and City Planner, Director of the Dual
Masters Program “Integrated Urbanism and
Sustainable Design” at Ain Shams University

Dr. Hend Farouh

Architect and Senior Researcher of Sustainable
Architecture & Urban Development at the Housing
and Building National Research Center (HBRC)

The discussion will be moderated by
the journalist Mrs. Amira El Ahi.

A short presentation film on a
“Green Awareness Showroom” by
Eng. Sherif Alb El Rahim will be
shown at the end of the discussion.

A buffet reception in the garden of the
DAAD will close the evening.

Venue
DAAD - German Academic Exchange Service in Cairo
11. Sh. El Saleh Ayoub - Zamalek
