Panel Discussion

12th Cairo Climate Talks (CCT)

“The way forward after Doha”

On January 27th, 2013, 7pm

DAAD Cairo Office – 11 Saleh Ayoub St., Zamalek, Cairo

January 21, 2013 – To take a closer look at the outcomes of the Climate Change Conference that took place in Doha end of last year, Cairo Climate Talks dedicates its 12th panel discussion to the topic, with a focus on the impacts on Egypt.

Experts from Germany and Egypt will engage in the discussion, tackling the challenges and chances that Egypt might face as a result of the 18th Session of the Conference of the Parties to the UNFCCC (COP 18) in Doha.

CCT is honoured to welcome **Dr. Camilla Bausch**, Senior Management Fellow at the Ecologic Institute, Germany and Advisor to the German Ministry for the Environment, Nature Conservation and Nuclear Safety in the field of international climate negotiations, **Dr. Samir Tantawi**, Mitigation Manager at the Egyptian Environmental Affairs Agency (EEAA), **Mariam Allam**, Egypt Coordinator of the Arab, Youth Climate Movement (AYCM), and **Amr Osama Abdel Aziz**, President of INTEGRAL Consult Egypt and Expert with the United Nations Framework Convention on Climate Change (UNFCCC) and Intergovernmental Panel on Climate Change (IPCC).

The keynote speakers will share their valuable insights in the topic and shed some light on the uncertainties surrounding the Doha Conference and the prospects of a global action towards the climate change challenges.

About Cairo Climate Talks

“Cairo Climate Talks” is a series of monthly events meant to provide a platform to exchange experience, raise awareness and foster cooperation between policymakers, the business community, the scientific community as well as civil society. It is held in cooperation between the German Embassy in Cairo, the Egyptian Ministry of State for Environmental Affairs, the Egyptian Environmental Affairs Agency (EEAA), the German Academic Exchange service (DAAD), the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) and the Egyptian German High Level Joint Committee for Renewable Energy, Energy Efficiency and Environmental Protection (JCEE).

Representatives of the press are cordially invited.
